2021 LAND REQUIREMENTS - LONDON & M25

We are looking for high profile, main road development sites capable of accommodating between 40-80,000 sq.ft GIA with associated parking and amenity space.

We pay up to 3% commission (including a lump sum on exchange) for completed deals up to £30m.

We would anticipate exchange occurs within 12 months of a valid introduction, subject to a written agreement. Fees will be capped at £500k.

Please speak to James for details.

We are looking for prominent and visible locations that may comprise;

- Residential site assembly's
- Brownfield sites
- Town centres and urban locations
- Large commercial buildings
- High and low rise developments
- Mixed use schemes
- Out of town locations
